BUREAU OF THE BUDGET

WASHINGTON 25, D. C.

AUG 29 1960

My dear Allen:

From time to time over the past year we, in the Bureau of the Budget, have brought in some of the country's leading people to speak to us on the subject of management. On a few occasions we have invited others from outside the Bureau in the thought that such an opportunity would be useful to them, too.

At our last such meeting for this year, we will have as our speaker, Mr. Peter F. Drucker, author of many articles and books and a leading figure in the field of the science and the art of management.

It occurred to me that some of the top managers in your agency would appreciate an opportunity to hear Mr. Drucker and I am, therefore, pleased to extend an invitation to them through you.

Would you be good enough to give me by September 16 the names of those whom you would like to have attend this meeting as our guests.

Sincerely yours,

(Signed) Maury
